Sitting at the back of the sort after complex, is this spacious three bedroom villa that offers the space and size that is often sort after but seldom found. Upon entering this home you will find an entrance foyer that flows nicely down the hallway, to the three generous sized bedrooms with built-in robes, as well as the original main bathroom with separate toilet. The laundry and hallway offer an abundance of storage. Other features include a sun soaked kitchen and dining room, separate loungeroom, natural gas heater for winter warmth plus a single lock up garage with internal access and a secure and well established yard. Inspection as a must and can be made by calling 63 600 300.
