So You are looking for something close to shops and freeway access plus Low maintenance but roomy. We have the townhouse for you! Situated in quiet complex, yet close to shops, schools and transport with easy access to the motorways is Unit 14, sitting high in the complex with lovely views and a balcony off the master bedroom. The open plan living and dining area downstairs with easy care timber floor boards, is surprisingly large, plus the additional area under the stairs could be utilised as a study area. The large air con downstairs is handy for comfort all year round. You'll be impressed with the spacious modern kitchen featuring a breakfast bar, gas cook top, dishwasher and PLENTY of cupboard space. The three large bedrooms upstairs all have built-ins. The spacious master bedroom features an air con, timber floors, and small balcony. The other two bedrooms are carpeted, and the third bedroom also has an air con. The spacious bathroom upstairs services all the bedrooms, plus you'll have the convenience of guest toilet downstairs. Private and enclosed back courtyard to relax or maybe have a BBQ with friends. Single carport plus plenty of visitor's car parks in complex for when friends and family come to visit.
