Located on the fringe of the Geelong CBD, this exquisite townhouse offers radiant light-filled spaces across three levels. This near new residence presents low-maintenance living and offers the ultimate lifestyle for modern day living. The modern facade sets the tone from the front door, with crisp white interiors, engineered timber flooring, and a striking feature staircase creating an inviting ambiance upon entry. The spacious open plan living/dining/kitchen zone occupies the second level. The light filled kitchen exudes quality and is accustomed with a wealth of cabinetry space, stone bench tops, a walk-in-pantry and comes complete with stainless steel appliances (dishwasher, oven, 6-burner cooktop and rangehood). Strategically positioned to oversee the expansive dining and living area, ensuring seamless entertaining. Opening onto a private balcony off the living area offering a retreat to savour your morning coffee or unwind with an evening drink overlooking the treescape and park. Comprising three bedrooms, the first is located on the ground floor and features built-in robes and ensuite. Two additional bedrooms on the third floor boast built-in robes and share a central bathroom. The additional study on the third floor offers a premium space for those working/studying from home or small lounge. Additional features include multiple split-system heating and cooling units, a single remote garage with direct internal access, and a rear courtyard that's fully fenced and offers dual access to the home and overlooks neighbouring parkland. Perfectly positioned, this home is just a stone's throw away from South Geelong Station and within walking distance of the CBD, Waterfront, Hospital Precinct, GMHBA Stadium, local cafes, shopping destinations, parks, and reserves.
