Approaching Island Park, you'll pass shops, schools, restaurants, the harbour, and so much more, and you might think that it's all a bit busy for the quiet life you're after. That is until you enter Island Park Gardens and experience the beauty and tranquillity of this amazing complex. With a complex swimming pool and barbecue area and a lovely community, it's easy to forget how close all the hustle and bustle is. Exclusive agents Gemma Coady and Joseph Stella are delighted to present townhouse 14 to the market. Enjoying a corner position in the complex, where you can see beyond the trees to the canal and council-maintained parklands, this three-bedroom property is as quiet and relaxing as they come. The open-plan living flows onto the covered alfresco area with an extended patio, making the perfect entertaining spot. The well-appointed and updated kitchen is tucked away at the front of the home, with a large laundry room to the other side, including a downstairs powder room and internal access from the single garage. Upstairs, the three bedrooms have built-in robes and ceiling fans, with the master and second bedroom enjoying a cute balcony that is ideal for enjoying a morning cuppa while taking in the view and Cleveland skyline. The family bathroom provides a shower and a bath, with a separate toilet and two linen cupboards for storage off the landing. It is so convenient to walk to school, the shops or even head for a stroll along the water's edge, but it is great to return to a peaceful and relaxing place to unwind. To make this your reality, call Gemma or Joseph today and ask to make Island Park Gardens your new address.
