Not often does the opportunity to purchase, in what is arguably one of the most prestigious and tightly held apartment complexes in Port Macquarie come along, so to be able to offer this amazing property to the market is one we are very excited about. Located opposite Town Beach and with views that have to be seen to be believed, "The Pines" offers a lifestyle that most can only dream about. Positioned on the sub penthouse floor and with a favoured North-Easterly aspect, the sun and natural light pours in through the expansive glass doors and windows. The interiors of this amazing apartment are immaculate, with neutral tones and superior inclusions throughout. With only three apartments on this level, privacy and quiet living is assured. As soon as you enter, you will be immediately captivated and drawn to the unbelievable views that are on offer... it really doesn't get any better than this! The extremely spacious, open plan living and dining opens onto the enormous, sundrenched balcony. In fact, every room opens onto the outdoors taking advantage of the views all the way to the break wall, Point Plomer and beyond. The kitchen is large and has been positioned to take in the amazing vista. With superior appointments such as thick stone benches, integrated dishwasher and an abundance of storage, cooking will never be a chore. Imagine waking up each morning in the master suite with the sound of the ocean and the northerly sun shining in. With direct access to the balcony, you will love the ensuite with a double vanity and corner bath, and the WIR with extra storage. Bedrooms two and three, again with balcony access and amazing views, have built-in-robos are serviced by the large main bathroom with floor to ceiling tiles. The balcony of this amazing residence wraps around the whole residence allowing plenty of room for the largest of tables and sun lounges. For the times that you don't want to walk across the street to have a swim in the surf, you will be able to cool down and relax in the private pool that is surrounded by manicured gardens. A feature that is often looked for but hard to find in apartments is double, lock up garaging. This apartment comes with this plus an extra storage room. With the CBD, several restaurants and cosmopolitan coffee shops within an easy stroll and Town Beach on your doorstep, there isn't anything to fault with this spectacular home. Viewing is by private appointment only and can be arranged by calling Naomi and Kody who would love to show you through this amazing apartment that they love and know you will too!
