Brilliantly positioned for the utmost ease and convenience, this light, bright and spacious apartment is bound to impress. Situated on the first floor of a securely gated and neatly-maintained group, the north-facing apartment is illuminated by northerly sunshine and includes an open plan living/meals area, a well-equipped kitchen with gas cooking and a bright bathroom with room for a washing machine. Built-in robes can be found in the generous bedroom and the home also has the comfort of split system heating/cooling as well as external blinds and plush carpeting underfoot plus the drawcard of an off-street under-cover parking space. Primed for immediate enjoyment and beautifully presented throughout, the apartment is close to the vibrant Koornang Road shopping strip, train and tram transport options and the glorious expanses of Lord Reserve and Koornang Park. Whether you are seeking a savvy investment or handy easy-care base – this is an opportunity too good to miss! We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
