Set at the top of the street and from its top floor vantage point, 14/6 Myra Road Dulwich Hill offers a home that's an entertainers haven. This smartly presented two-bedroom, two-bathroom apartment captures a north facing view over the rooftops and treetops. The home has a flowing floorplan, with a focus on light, open plan design and privacy, creating a space of spacious living and convenience. Drenched in sunlight, with one common wall, 14/6 Myra Road is the ideal property for buyers or investors seeking a value-packed home that's close to the heart of the Dulwich Hill, and just a few footsteps to the light rail, train station and Dulwich Hill shopping strip. Light-filled throughout featuring generous living area and treetop views. Top floor position in full brick building. Private and sunlit balconies plus minimal common walls. Modern-age construction with brick foundations. Location boasts ease to Hurlstone Park and Dulwich Hill amenities. Excellent first home opportunity with solid long-term investment rewards. Variety of public transport within short walks: Light rail, train, bus.
