You'll love the sheer sense of space inside this two-bedroom, two-bathroom townhouse, a roominess that rivals many modern three-bedders today. You'll enjoy sipping your morning cuppa in the north facing courtyard, gifting you a leafy outlook. With a bit of imagination, design and landscaping, this delightful spot will also be your go-to when friends and family drop by or when you like to dine outdoors. And let's not forget the brilliant Stockton Street Morisset location where Coles and Woolworths are an easy stroll, and the Morisset Train Station is a comfortable morning and afternoon walk. This 2-bedroom, 2-bathroom Townhouse is on offer for the first time since built in 2014. Many of the townhouse in the complex are now transforming from investment to owner occupiers, whilst fostering a real sense of community. Enjoy a bright open plan design, modern kitchen, with the bedrooms and bathrooms tucked away on the second level for privacy. A secure single garage ties the bow but with town, schools and train all close by, it's an easy decision to leave the car at home and stroll, ride your bike or even jump on a bus to whisk you to where you want to be.- Open plan living with a/c extends to a north facing courtyard- Modern kitchen with electric cooking, dishwasher and ample storage- Two exceedingly spacious bedrooms fitted with built-in robes - Walk in robe and ensuite off the main bedroom, with a full-size bathroom servicing the second bedroom- Powder room on the lower level for convenience.- coffee outlets, parkland, public pool and a choice of gyms nearby.
