\$900,100

This delightful, full brick 3-bedroom townhouse is a haven for those seeking the perfect blend of style, comfort, and convenience. Nestled in a neat complex, this property offers a family-friendly layout that is both functional and inviting. Presenting a generous, light filled and open living area that flows seamlessly into the dining room and kitchen leading to the spacious back patio with an undercover entertaining area, this open concept design allows for easy customisation and is perfect for entertaining. The upper level boasts three spacious bedrooms, the master including an ensuite, the main bathroom and a versatile study nook which can be utilised however you please. Situated in a prime location just moments away from local shops and parklands and schools with access to ample public transport inclusive of Auburn train station and multiple bus routes, this presents an exceptional opportunity for a family, down sizers, or an investor. This Property Features:- Open plan ground level featuring combined living & dining, leading out to spacious back patio- Separate modern kitchen with stainless steel appliances and gas cooking- Three generous sized bedrooms, main with ensuite, all equipped with built wardrobes- Ducted air conditioning throughout and second lounge room or teenagers retreat on top floor- Modern bathroom with combined bathtub and shower with separate washroom on ground floor- Underground double lock up garage featuring storage room with internal access to property
