Offered to you today is this 5 bedroom home needing TLC and a new owner. This has been a previous rental, so the owner has decided to sell and let the new owner renovate and repair. There is an upstairs room you can use as a bedroom or perhaps its a room away for the wife's sewing or craft room. The man of the house is catered for with a shed at the rear of the home. Listed at a reduced price to attract the first home buyer or investor to rent out in these rental shortages we are seeing.
