A superb family entertainer in a premium setting, this 1980s home with four bedrooms, three bathrooms, study, and multiple living zones affords the possibility to live comfortably, renovate or rebuild (STCA) to suit your needs. Boasting an excellent location near Darling Station and Hedgeley Dene Gardens, it offers easy access to premier schools and Chadstone Shopping, making it an exciting prospect for families seeking a base for their dream home. Inside, discover formal living and dining areas, the family living room with retro rumpus room vibes, and the kitchen, tastefully modernised with quality appliances, combining functionality with style. Accommodation is shared across the two floors and includes a main and a guest bedroom suite, each with an ensuite, whilst a central bathroom supports the remaining bedrooms. Outside, the established gardens ensure privacy and offer a tranquil setting for alfresco enjoyment. Complete with hydronic heating, air conditioning, and a double carport, the potential to create a dream residence is undeniable.
