In a boutique setting with near access to leafy reserves and the excellent sports and recreational facilities of Sydney Olympic Park, this tastefully updated residence blends original character and modern style in a highly advantaged location. Bright and airy interiors offer a relaxed lifestyle, predominantly on the one level, with two spacious living areas, family dining, a beautiful kitchen and up to four bedrooms including a versatile retreat upstairs with its own separate access and covered balcony overlooking the backyard and swimming pool. Parking here is no issue, with a lock-up garage and plenty of room in the driveway for extra cars. A great opportunity for upsizers, or a young family, the home is just 10mins walk to North Strathfield or Concord West stations, and moments from the renowned Bakehouse Quarter cafe and dining hub. Renovated including kitchen and bathrooms Skylit living and dining areas + family lounge Main bed with ensuite, heated towel rails Ceiling fans in bedrooms plus air conditioning Built-in wardrobes in all four bedrooms Generous storage options including attic space Plantation shutters, underfloor heating Upstairs retreat/4th bed with separate entry Level northeast backyard, glass-framed pool Lock-up garage, generous driveway parking Near Mason Park Wetlands, off-leash park Moments to parklands and transport options Highly regarded schools in the local vicinity
