Welcome to 14 Aulini Drive in Bedfordale, this beautiful family home is a true turn key with no work to be done throughout and a fresh coat of paint already done for you. As you enter the home you're greeted by a large king sized master bedroom with an ensuite and walk in robe. On the left there is a spacious theatre room which has currently been set up as a home office. This leads through to a spacious open plan kitchen and meals area that leads out to the patio. Directly opposite the meals area is a games room which has plenty of space for the kids to spread out. The minor bedrooms are all queen sized with built in wardrobes and are connected by a teen retreat area. Moving outside off the kitchen and dining you have a great A-frame patio which is the perfect space for entertaining and family barbecues. There's also a great patch of grass for the kids to run around. Down the back there are two sheds, and one of them is powered for all your DIY desires. The block also has great side access which is perfect for parking a boat or caravan.
