Capturing captivating vistas across Newstead and Hamilton from its elevated allotment on Teneriffe Hill, this stunning residence presents lifestyle luxury, design excellence and enchanting outlooks that will make you feel a world away. Nestled at the end of a quiet cul-de-sac in a secluded setting highly sought-after by locals, this is an undeniable opportunity to secure an exquisite executive address. Transformed from a charming Queenslander into a showpiece of contemporary style, the home hosts five generous bedrooms, three bathrooms, and has been designed to see you through every phase of family life. Elements of its original character still remain on the front verandah and form a striking contrast against the rich timber floors and sleek appointments. Accentuating the elevation and north-east rear aspect, living spaces on both floors extend outdoors, where you will be entranced by the stunning scenery of Hamilton Hill and the striking architecture of the Newstead skyscrapers. Featuring an entertainer's deck, terrace, alfresco kitchen, glistening pool and gardens filled with colour and greenery, you can experience the best of the Brisbane climate, lifestyle and landscape from this private oasis.
