Nestled within the prestigious enclave of Ellis Lane, 14 Baldwin Close presents a grand and sprawling lifestyle home that epitomizes luxury living. This exceptional property seamlessly merges opulence and functionality, offering a true haven of comfort and elegance. Ellis Lane, renowned for its high-caliber acreage residences, provides direct access to Camden CBD amenities, ensuring convenience at your fingertips. This elegant home boasts unparalleled size and proportions thoughtfully divided into distinct living and bedroom wings. The residence features four grand bedrooms, each graced with a breathtaking outlook, sumptuous carpeting for comfort, and generous walk-in robes. The master suite, a true retreat, offers "his and her" walk-in robes that lead to an all-inclusive private ensuite. The ensuite is a masterpiece in itself, complete with a sunken oval spa bath, dual vanities, recessed ceilings, and frameless shower screens. Upon entering, you are welcomed by a separate home office/library and a sunken formal living area that basks in natural light, creating an ambiance of warmth and sophistication. Twinkling over the grand piano, this area gracefully transitions into the formal dining zone. The property exudes charisma on a grand scale, featuring an open-plan living area accentuated by an opulent curved glass wall that unveils a breathtaking panoramic view, including a distant glimpse of "St. John's Steeple." This awe-inspiring space seamlessly connects to the gourmet kitchen, which offers abundant storage and counter space, gas cooking, an amazing outlook, and an expansive walk-in pantry. For those who love to entertain, this residence caters to every need. A separate billiard room with a built-in bar and external access creates an ideal setting for relaxed gatherings. A separate indoor/outdoor retreat spills out onto a timber deck, complete with an additional toilet and a convenient kitchenette. In harmony with the grandeur of the home, the internal laundry and master bathroom are proportioned to match the caliber of this estate. Car enthusiasts will find their haven with two detached lock-up garages providing accommodation for up to four cars and additional storage space. This spectacular property is undoubtedly a hallmark listing of 2023, a testament to timeless luxury and sophistication. Do not miss the opportunity to make 14 Baldwin Circuit your new home, where grandeur and comfort converge into a lifestyle like no other.
