This low set brick and tile house is well-presented and offers heaps of great features for the home buyer or investor. From the covered front patio, you'll enter into the air-conditioned living room. This flows to the dining room and kitchen, which has a dishwasher, wall oven, breakfast bar and plenty of storage space, plus easy access to the adjoining laundry/utility room. The dining room leads out to an additional air-conditioned lounge room, which is ideal as a rumpus room or home office. There's even a second toilet for extra convenience, with access to both the lounge room and the backyard. Outside, the flat, easy-care block is fully fenced, with two garden sheds for all your storage needs. There's also a single lock-up garage, with internal access to the house via the laundry. This tidy home is attractively priced and ready for its new owners to move right in or rent it out. To arrange your inspection, contact Rob Horder 0439 135 125.
