Set in a quiet street with lovely views of Mount Marlay and to the rural ranges beyond the town area, this weatherboard home features original high ceilings, floorboards, window awnings and T&G interior. The home has 2 good sized carpeted bedrooms with built-in robes and a 3rd bedroom or office with built-in cupboard. The spacious kitchen has electric stove and ample cupboard and bench space and combines with the lounge area and has a gas heater. There is a bathroom with shower over bath and toilet and includes a linen cupboard. The laundry is handy to the rear door with steps leading to a single carport. An L-shaped deck will be a great spot to sit for your morning coffee and enjoy the views and the northern aspect and a patio at the rear with ramp looks out over the fenced back yard. Currently tenanted by a very good tenant at \$290 per week with a lease ending in December 2024, inspections will require at least 24 hours notice.
