Introduced by a picket fence, leafy front garden and Hawthorn Brick façade, this captivating single-fronted Victorian terrace showcases its classic period attributes, including a decorative parapet, iron lacework, tessellated tile verandah and high ceilings. Previously renovated and extended, the recent updating of the interior has delivered a stunning, immaculately presented contemporary home which benefits from a northern side aspect. An arched hallway with spotted gum timber flooring flows past two carpeted bedrooms, both with brand new built-in robes. The main bedroom features a sparkling ensuite, complemented by a stylish second bathroom. At the end of the hallway is a built in study area with a computer station and additional storage. A generous open-plan living and dining room includes a sleek kitchen equipped with CaesarStone bench tops, island bench, 2 pac cabinetry, Bosch and Asko stainless steel appliances and a Euro laundry. The living opens up to a deck overlooking a private rear garden providing a tranquil oasis for outdoor relaxation or entertaining friends and family. Other features include ducted heating and cooling, OFPs, Plantation shutters, quality fixtures and fittings and newly landscaped gardens with rear garden storage. Enviably located in a quiet Surrey Hills tree-lined street close to the popular Red Brick café, an excellent array of schools including Chatham Primary School are just moments from the front gate. Trains, trams and buses are all within a short walking distance, along with access to popular shopping strips including Union Road, Maling Road, Mont Albert Village, and Whitehorse Road, all providing wonderful lifestyle options to enjoy. Approved plans and permits for an extension to make way for a third bedroom provide future options to expand this Victorian terrace.
