How old are you? It's hard to tell when you are so beautifully filled with features of delicate beveled windows, ornate high ceilings and polished timber floors. The formal lounge with fireplace is separated with original double glass doors from the formal dining room. The front large bedroom looks out onto a large covered timber deck overlooking the City of Lismore with glorious mountain views, which has created an extra outdoor covered room for entertaining. This beauty is hidden amongst lush established gardens and has more to show on inspection. Call Now! Don't Miss Out!
