## Sale by Negotiation

This modest, low-maintenance home is ideally situated to provide a convenient lifestyle. Located within walking distance of public transport and just a short drive from shopping centers, hospitals, Griffith University, and schools, it offers the ultimate convenience of central living. Inside, you'll discover a bright and inviting open-plan living area that seamlessly connects to the kitchen and extends through glass sliding doors to the patio. This outdoor space is perfect for unwinding under the expansive patio, enjoying a BBQ, while children play in the spacious, grassy backyard. The kitchen boasts high-quality stainless steel appliances, including a range hood, oven, and dishwasher, along with ample storage. Surrounded by tiled living areas and bathed in natural light, it serves as the perfect gathering spot for the family. The bathrooms are equally impressive, featuring beautiful color schemes, quality fixtures, and plenty of space. Additional features include: \* Four generously sized bedrooms \* Master bedroom with a walk-in robe and ensuite \* Modern kitchen with plenty of storage \* Open-plan living and dining areas \* Ceiling fans in all bedrooms \* Main bathroom with a bathtub \* Water tank \* Security screens for added peace of mind
