This welcoming property is a product of the vision and hard work of its owners. If you're looking for a lovely home with nothing to do but simply move in and enjoy life, then this might be just the property for you. Beautifully renovated throughout where everything feels new and fresh, there are many features to delight the discerning buyer. The new flooring, paint and carpet create a calming, neutral colour palette that is nicely finished off by the Plantation Shutters beautifully fitted to each window. The kitchen is new and well equipped with great cupboard space plus a pantry, gas cooktop, electric oven and a dishwasher. The brand-new bathroom evokes a feeling of luxury with floor to ceiling tiles, standalone bath and big shower. The toilet is separate to the bathroom, and you'll love the cute tiles in the new laundry. The living area with a ga log fire captures the northern sun and there is a large dining room plus a cosy sitting room off the kitchen. Rounding out this lovely package are three good-sized bedrooms, the main with a walk-in robe and the other two with built-ins, plus there is a lovely big deck overlooking the backyard with garden shed and water tank. Close to good schools and not far from town, this property has it all.
