For Sale

You'll just love living at the end of this private cul-de-sac in this spacious, well designed lowset family home. Providing your family with multiple living space including two separated living rooms, an adjoining dining area all flowing from the centralised kitchen and heart of the home. The big surprise is the fully enclosed alfresco games/entertaining room designed to relax, play, and entertain. It's big enough to host the largest of families with ease. This home is versatile and has the ability to be adaptable to suit your every need. The spacious central kitchen has an abundance of bench space with a stainless steel splashback & great storage with a large pantry. There's 4 generous bedrooms all with new ceiling fans and built-in robes. The air-conditioned master has a spacious walk-in robe. The nature strip at the rear and side boundaries creates feeling of openness and space. You will be proud to call this property your new home or if you are looking to add a property to your investment portfolio, then look no further!
