Heavenly views through skylights and picture windows unveil the dramatic design of this unique family home. With a beautiful park and playground as your neighbour, and zoning for Mount View Primary and Highvale (STSA), the location is as exceptional as the architecture from this much-loved part of Glen Waverley. With its north facing frontage and clear-roofed patio, the home beckons with light, airy ambience across its free-flowing expanse. The distinctive windows create a stunning setting which takes in the garden's greenery – a showcase Japanese Maple providing a beautiful backdrop to the living room. Stylish renovations in the two bathrooms offer move-in ready elegance, with full height tiling, twin basins and sliding shower doors as part of the modern refit. A contemporary open plan kitchen shows off waterfall stone benches, a silver glass splash back and premium appliances including a Samsung 5-burner gas cooktop, Fisher & Paykel oven and powerful Sacon rangehood. Serving windows and ease of movement between the dining room and the deck enhance the al fresco living credentials, with beautiful views of the park and The Dandenong Ranges from the covered outdoor living area. A private guest bedroom also serves as a potential office or study, in addition to a double garage, central heating and Colorbond fencing at this light-filled residence, just a 10min walk to popular Mount View Primary, and a 5min drive to elite Caulfield Grammar and shopping and dining at The Glen.
