Tucked away in a peaceful and friendly cul-de-sac, this immaculate three bedroom, two bathroom double-storey home presents families with multiple and spacious living domains, plus the enticing opportunity to enhance/personalise if preferred (STCA). Step inside and discover a flowing floorplan complemented by original hardwood finishes and decorative cornices. The spacious lounge progresses to an L-shape timber-enhanced kitchen/meals that also offers space for a home office/study. Add to this, gas cooking appliances, dishwasher, breakfast bar and ample cabinetry. The expansive family room ensures space to entertain as it leads to a sizeable pet-friendly backyard with potential to extend the pergola. Back inside, the full-size laundry features bathroom facilities and direct access to the lockup double garage with driveway off-street-parking. Comfortable bedrooms accompany the tiled central bathroom with WC. Complete with ducted heating, a/c unit and wall-to-wall tiles. Resting on a huge 1020m² approx. block, it delivers easy access to airport/city-bound freeways, Aitken College, Greenvale Shopping Centre and leafy wetlands/playgrounds.
