NEW TO MARKET!

Situated on a generous 607m² with a wide 15m frontage, in one of the most gorgeous tree-lined streets, this distinctive lowset brick home has been designed for retirees, astute investors or families looking for that extra space to accommodate the extended family, or indulge teenagers with their own private retreat. Featuring a classic layout with 3 large bedrooms, (master with built in robe) a stylishly renovated bathroom and kitchen, gorgeous, updated bamboo flooring, security screens and sliding doors to the north facing, sunny rear entertainment area. The air-conditioned living area leads out to an open plan kitchen, featuring loads of storage. The dining room is complimented with sun-filled floor to ceiling windows and overlooks the manicured back yard and outdoor alfresco, which offers a private place to relax with family and friends. Situated at the rear of the home is an additional dwelling that hosts a spacious kitchen, bathroom + plenty of additional room for the extended family. The low maintenance back yard is meticulously kept and fully fenced, ensuring a secure playground for pets and children alike. Other features include solar panels, ceiling fans throughout, loads of storage, lock-up garage with drive through access to the rear, off-street parking - room for the boat and caravan! Located within a hop skip and a jump (2 minute walk) to the highly regarded "Friendly" grocery store, bakery, newsagency, fish and chips shop, and close to bus stops, Redcliffe hospital, the Botanical Gardens, with easy access to Woody Point's waterfront, Suttons Beach and it's swimming beaches, cafes, restaurants and the Sunday Markets. This family home is also within the catchment zone of reputable primary and secondary schools, 20 minutes from the Brisbane Airport, 35 Minutes to the CBD. Call Jo Szulc today to arrange your inspection as this one definitely will not last long!
