Welcome to 14 Clarke Street, Benalla an original and untouched investment, first home buyer opportunity or renovators delight. Located only a short walk from Benalla CBD, we are within close proximity to schools, Benalla Train station, Benalla Lake, and restaurants. Inside the home is the perfect canvas! Central lounge greets you as you enter the home, with the kitchen just off the lounge. The compact kitchen has sliding door access to the backyard off the side of the home and the laundry connecting through at the opposite end of the kitchen that also has access to the backyard. Moving through the home we feature three spacious bedrooms with built in robes, a central bathroom that features shower and single sink. Next to the bathroom you have a separate toilet. The property's front and rear yard offer a blank canvas for those with a creative touch, allowing you to put your own stamp on things and create the outdoor space of your dreams. Additionally, there's a rear garden shedding and undercover carport. This is a great opportunity for someone to enter the market or take a blank canvas and create a gorgeous home.
