This is contemporary living at its finest with this sensational 4 bedroom family home with huge workshop and the dream swimming pool! Let me introduce you to 'The Ultimate entertainment Package'! Quality built with no expense spared the residence provides 4 big robed bedrooms with the master boasting a walk in robe and large deluxe en-suite, stunning kitchen featuring stone benchtops, double oven, dishwasher, striking black tapware and door handles and huge walk in pantry, 3 sperate living zones including lounge room with custom made cabinetry, open/plan family dining area with split system air conditioner and a fantastic rumpus room and/or kids playroom, excellent central family bathroom and spacious laundry with great storage. Extra added features include multi zoned ducted heating and colling system, LED downlights, quality window furnishings, high ceilings and reverse osmosis filter for drinking water. Outside it is time to get the party started with the state of the art 'Barrier Reef Sunseeker Slimline' salt water chlorinated inground swimming pool with private gazebo and built in umbrellas for shade, 10m x 7.5m powered workshop with high clearance, double garage under roof line, massive solar panel system, outdoor living area, fully lined portable studio/backyard office with heating and cooling, in-ground multi zone watering system, extensive concrete paving including exposed aggregate and side access. This is the complete package inside and out and absolutely perfect for entertaining. The whole family will love this and I'm pretty sure your friends and family will be as well.
