WHAT YOU'LL LOVE Surprisingly spacious, perfectly presented and elevated above the street for peace and privacy, this home delivers an affordable and desirable opportunity to immerse yourself in the beauty and tranquillity of leafy laid-back Hurstbridge. Sought after for its natural beauty, charming village appeal, and a strong sense of community, life here is as much about the setting and the lifestyle as it is about the warm and welcome home...neither of which will disappoint! Although the sign says Road, it's really a Court. And a quiet one at that! Native gardens deliver year-round colour and contrast without needed year-round maintenance, freeing up the time to do what you want to do, not what you have to do. A short stroll into the heart of Hurstbridge, you can grab a coffee one of the many cafes before you snare a guaranteed seat for the stress-free trip on the train into the CBD. Three generous living areas provide well zoned options for everyone to find their favourite spot for relaxation. The paved entertainment area, tree-top deck and the family living and meals overlooked by the kitchen merge seamlessly, ensuring large or small get-togethers will be a breeze. (And you can always retreat to the lounge if being the host gets too much). The garage offers space for the gym gear, while the under-house storage will swallow up pretty much everything the family needs... but doesn't want in the house! If you're after an effortless family lifestyle barely minutes from every local amenity, including the station, this could be the one!
