You will be impressed on arrival by the pleasant and inviting street appeal. On entering the home offers space in abundance on display with the extra wide entry way. Approx. 24 squares under roof, the master suite is situated to the left of the entry, and as you make your way through you will quickly discover how this home can cater to just about any size family with any needs thanks to the many multi-purpose spaces that can serve as living zones, offices or bedrooms. There are 4 true bedrooms on offer which include built in robes, serviced by the main bathroom which includes a bath, shower and separate toilet. The many living zones throughout ensure that everyone can relax without fuss, while the home also offers sliding doors at either end of the kitchen/meals area to offer convenient separation as needed. The expansive kitchen and meals area is perfectly located in the centre of the home, including stainless steel appliances and plenty of storage/bench space. The backyard is accessed by the sliding door from the meals area, and it's great for children and kids to play in privacy and security while also being low maintenance. Additional features include evaporative cooling and gas ducted heating, double remote garage with undercover internal access, as well as rear door and roller door access for additional vehicle storage, this is an opportunity to secure a well presented family home in an exclusive pocket of Rowville
