Polished marble, herringbone pattern oak floors and luxurious appointments throughout are magnificently presented in this contemporary, European inspired masterpiece. Enthralling future owners with low-maintenance design, the executive home is merely a short stroll to zoned East Doncaster Secondary College and Doncaster Gardens Primary, buses and conveniences. A central location is equally as enticing as this stunning, brand new, side by side home. Impressive 3m high ceilings and oversized door heights create immediate attraction along with the ground floor and upper master suites, plus opulent guest power facility. Both masters appreciate a fitted WIR and hotel quality ensuite displaying a double marble topped vanity and rainfall/handheld shower, completed with stylish tapware. The children's bedrooms are zoned on level one with a generous family room and bathroom with gorgeous fluted freestanding bath, rainfall shower, LED wall mirrors and separate WC. A striking open plan living and dining zone with gas fireplace is highlighted by a waterfall marble benchtop with oversized Brienz trough style sink, double Miele pyrolytic ovens plus a dishwasher, soft-closing cabinetry, large double pantry and brushed brass tapware. Stacker doors graduate to a merbau deck and low-care gardens for hosting any occasion, with an adjoining media room ideal for movie nights and a third chill-out space. A short stroll to Doncaster and Rieschiecks Reserves and Ruffey Lake Park, and close to Aquarena. Minutes to Donburn Shops, Jackson Court eateries, Westfield Doncaster. Great access to public transport incl city express buses and the freeway to the CBD or Eastlink. The home is equipped with refrigerated ducted cooling/heating, laundry with built-in cabinetry, security alarm, lockable entrance gate, ducted vacuum system, water tank and internal entry to a remote operated double garage.
