Renovated from top to bottom to exacting standards, 14 Don Collins Way is proudly presented for sale by the original owners. From the extensive timber flooring, solid architraves, and skirting boards to the chic custom built-in cabinetry throughout the home; give yourself the luxury of a quality finished home, holding the opportunity to simply move your furniture in and enjoy. This stunning residence spans across one impressive level, offering four bedrooms, study/home office and multiple living zones. Your state-of-the-art kitchen includes stone benches, custom cabinetry, and Miele appliances, whilst the family bathroom and master ensuite have been renovated in all of today's 'on trend' décor. The alfresco and spacious covered pergola is an outdoor entertainer's delight which includes a relaxing hot tub and TV, overlooking the rear yard adorned with manicured lawn and gardens. Plantation shutters, 2.7m high ceilings, exquisite feature gas log fire and an 8.8kw solar system are just some of the notable inclusions, with many more to be seen upon inspection. All this in an outstanding location, within walking distance to Eden Rise Shopping Centre, St Catherine's, and St Francis Xavier College, as well as the Berwick Springs Lake.
