With practicality and functionality in every sense of the word, this magnificent family home is one that'll have your attention right from the very beginning. Boasting a facade of grandeur presence, loads of off street parking in a splendid quiet location, it's homes like these buyers always crave for! Comprising four fitted bedrooms, master with ensuite equipped with a oversized robe, fantastic dual zone formal living allowing large space for a kids retreat or generous study, gorgeous north-east facing with an abundance of natural light and lovely landscaping complete what's immediate upon entering. The centre hub of the home consists of an abundance of bench space, stainless steel appliances. Further features are a large open plan living areas spilling onto an entertainers paradise with further tranquil surrounds, drive thru access, outdoor power and lighting, an a tremendous outdoor entertaining area equipped with a great sized jacuzzi for all year round. Feature features include ducted heating/evaporative cooling, solar panels, ceiling fans throughout & much more. Situated in a lovely pocket of Hoppers Crossing with nearby parks, bike and walking tracks along Skeleton Creek Reserve and in a quiet and friendly neighbourhood with no through traffic. Shopping centre and several schools all located within walking distance. Just perfect for any buyer looking in our marketplace, it's no wonder you're booking your inspection!
