THE DEAL: Expressions of Interest

THE DEAL This exquisite four-level home defines contemporary elegance, style and luxury, overlooking a picturesque Subiaco nature strip and possessing the option of being purchased fully-furnished, ensuring a seamless move-in experience. It features a spacious basement with a five-car garage and rear-laneway access, providing convenience and security for multiple vehicles. Beyond its entry gate, the first-level courtyard leads to a sunken lounge-come-theatre room, equipped with a remote blind, drop-down movie screen and projector—perfect for entertaining at home. An open-plan dining and kitchen area oozes class through Greek-style columns, granite benchtops and high-quality appliances, extending on to an enclosed alfresco balcony with a barbecue. Also on this floor, there's a heated indoor swimming pool adorned with an ancient Greek mural, adjacent to a fully-tiled fourth bathroom and laundry. City glimpses, a balcony and a bubbling spa bath can all be found within the expansive master-bedroom suite on the second level, near a separate sunroom – or home office. The very top floor doubles as a guest retreat with its own living area, kitchenette, bedroom and semi-ensuite bathroom. Split-system air-conditioning, under-floor heating, an alarm, intercom, ducted-vacuuming and digital parking permits are some of just many extra features that make this multi-storey sanctuary all the more impressive. SEALS THE DEAL A coveted and convenient location, just footsteps away from shopping at Subiaco Square, public transport, bars, cafes, restaurants, entertainment, medical facilities and schooling options.
