This signature style house is located in the heart of Doncaster. The family home has been designed to please with a formal lounge, study, large open modern kitchen, dining, and family room overlooking a lovely terrace and established gardens. Privately zoned upstairs are 4 bedrooms, master with modern ensuite and family bathroom. Features include huge walk-in pantry and laundry, powder room, ducted heating, evaporative cooling. Two separate outdoor areas — a relaxed undercover entertainment deck at the rear — benefit from their elevated positions to capture sweeping district views, while a warm and welcoming formal lounge and separate open-plan living/dining area with rear-facing views offer family-sized comfort and functionality. Furthermore, this value-packed home also features abundant storage space, large laundry and powder room, ducted heating, evaporative cooling, carport and generous off-street parking. The property is situated in a prime location, walking distance to Westfield Doncaster, close to Park & Ride, Koonung bike trail and great schools, as well as express buses to the city and quick entry to Eastlink and the Eastern freeway.
