Walk right in and unpack, as there is nothing to do with this spacious home. Situated in a quiet leafy location a few streets away from Shailer Park Primary and Secondary Schools and a short walk to the bus stop, it's only a few minutes drive to the Freeway and Hyperdome, this property will attract a lot of interest. There is a very large Lounge/Dining room, a spacious Family room, a big modern Kitchen with dishwasher and 4 bedrooms all with robes. There is an En-suite off the large Master bedroom, a main Bathroom and a Powder Room, all are recently modernised. There is a Wood Heater in the lounge room, while the entire house has zoned ducted air conditioning. The property sits on 1074m<sup>2</sup> of usable land and boasts a large paved courtyard, while a few steps takes you to a generous saltwater inground pool and lawned area. There is a lock up garage and a lock up carport. Shailer Park remains one of the most sought after locations in Logan with demand at very high levels, Family homes on large level blocks are always popular, prices are continuing to rise, so get into the Market now and give Ric a call today. Features: • 2 Bathrooms plus a Powder Room • Wood Heater • Ducted Aircon • Robes to all bedrooms • Dishwasher • Salt Water inground pool • Close to all amenities
