\$355,000

The dimensions are ideal - all that's needed are your ideas. This enticing, level, vacant allotment measuring approximately 439m² approx behind a street frontage of some 16.27m approx delivers rewarding 32m approx depth in suited ideally just off the display village, early learning center, medical center and easy access to Vineyard road. Scope to design and deliver a family home that's tailored to perfectly fit your needs is complemented by attractive proximity to everything you need. Surrounded by community assets, with many more to follow in the future as this family orientated location continues to evolve and develop, this rewarding block is the perfect definition of blank canvas possibility. Its size, setting and readiness to accommodate your new residence combine to create an exceptional opportunity that will offer great lifestyle enjoyment and pleasing capital growth going forward.
