\$1,600,000 - \$1,700,000

Mud brick magic with a pool Warm, welcoming and very inviting, this remarkable home tucked away in a quiet enclave offers the perfect blend of rustic charm and modern comfort, an easy walk into Eltham Village. A visual feast of red brick floors, timber-lined ceilings and lovely mud brick walls, the flexible design reveals a spacious lounge and dining room embraced by a toasty open fire, accompanied by a huge living room with French doors spilling onto the alfresco areas. Continue through to a family room with a gas log fire, a casual meals zone and a designer kitchen boasting a stone breakfast bar, premium appliances, and a servery window for easy entertaining. Placed at the front, the master bedroom features a walk-in robe and modern ensuite, with three extra bedrooms serviced by two stylish bathrooms. The perfect entertainer, the beautifully landscaped backyard has been designed for relaxation, highlighted by a glistening north-facing swimming pool nestled in garden surrounds, and a capacious alfresco zone perfect for larger social gatherings or family celebrations. Notable highlights include CCTV, split system air conditioning, new gutters, a storage shed, a double carport and off-street parking. In a desirable neighbourhood, zoned for Sherbourne Primary School and Eltham High, and a short walk from Eltham Central Park and Alistair Knox Park, minutes from Catholic Ladies College, Were Street shops and cafes and Greensbrough Plaza.
