Welcome to this spacious Atherton residence, tailor-made for the larger family seeking comfort, convenience, and style. Strategically positioned within walking distance to Atherton Primary and Atherton High, and just a stone's throw away from the bustling main shopping center, this property offers the modern suburban living with great privacy. Constructed with concrete block, this home boasts durability and versatility. With 5 generously sized bedrooms, there's ample space for everyone to enjoy their own private retreat. At the heart of the home is the expansive open-plan kitchen, dining, and lounge area, perfect for hosting gatherings and creating memories. Beyond the main living areas, discover additional spaces tailored for versatile living. A dedicated family room provides a cozy spot for movie nights or relaxation, while an office offers the ideal environment for remote work or study sessions. A central room provides a great additional storage area or potential cyclone bunker. Nestled on a generous 809m² block, the property offers plenty of outdoor space for recreation and entertainment. The fairy garden at the front gives the option of separate groups, with seated area, fire pit and pavers leading through the garden perfect to enjoy in the warm summer evenings. The rear of the home showcases a large undercover patio as well as two bay shed with additional storage areas.
