\$470,000

When it comes to location and value, this is one of the very best. Superbly positioned in a quiet, established court within an easy walk to Trinity Lutheran College, Mildura Central shopping centre, and transport. Adding to the appeal of this quality, brick home is the generous 928m² (approx.) allotment which is ideal for further improvement. Inside, an open-planned floorplan enhances a sense of space with generous living spaces under a vaulted ceiling. A large sunken lounge and adjacent dining area flows through to the central kitchen and adjoining meals area, opening out to your covered outdoor entertaining area. Completing the home is 3 BIR bedrooms and an outfitted central bathroom. Finishing touches include a 6x6m shed with concrete floor, power and a single garage with remote door.
