\$479,000

Currently leased for \$1,673.00 PCM. Offering a two bedroom design of exceptional style, featuring separately zoned areas for living and for accommodation, this beautiful single level home conveys modern character and quality throughout. A dedicated study or home office creates a great introduction to a bright, inviting living and dining area that incorporates an open-plan kitchen featuring stone benches, a central island and stainless steel appliances. Sliding glass to a paved courtyard and low-maintenance backdrop brings an indoor-outdoor mood into the picture. Two double bedrooms, both accompanied by built-in robes, surround a secluded courtyard retreat that's accessed from the central bedroom while a bathroom fitted with a separate bath and shower is complemented by a separate toilet and an efficient European laundry. Ducted heating delivers ideal comfort. A secure single garage contributes total convenience. Reach Newbury Primary School, childcare facilities and parks all in a matter of moments from this instantly attractive address.
