Embrace the essence of family-centric living and create lasting memories in this impressive home, ideally located moments from North Nowra shops. Designed for unforgettable family gatherings, entertaining, and poolside pleasure, it seamlessly blends style and functionality, focusing on creating spaces that bring loved ones together. From the spacious stone kitchen with its walk-in pantry to the open-plan dining area and inviting living areas on both floors, every corner exudes warmth and family indulgence, extending to the home cinema with its 4k projector. Defining itself as a true entertainer, the undercover alfresco area hosts the second-in-command kitchen, complete with BBQ, keg fridge and taps - not to be outdone by the wood-fired pizza oven serving up delights in the poolside cabana. With room for everyone, there are five bedrooms, including the main bedroom, occupying the first floor, with the sixth downstairs, and the potential for the home office to be a seventh bedroom if required. Three bathrooms and a powder room offer harmony in the busy dynamics of daily life, along with a large laundry and double garage. With the supermarket, bakery, pharmacy, gym, and Illaroo Road Public School within arms reach, it's approximately a 5-minute drive to Nowra town centre, with abundant recreation options nearby, such as the aquatic centre, golf course, walking trails, and water pursuits on the Shoalhaven River. The perfect fit for a large family or multi-generational living, additional features include ducted air conditioning, 10.5kW solar power with a Tesla Powerwall and Tesla Wall Connector.
