"Every detail has been carefully considered to provide luxury and comfort. Families- big or small will be able to enjoy the alfresco area, outdoor kitchen and double courtyard. I have always prided myself on doing what I say I will and with this corner home constantly soaking in sun from the North East aspect, it's impossible to not feel transported. A project I hope will create a home for generations of families to come- close to everything you would need with nothing to want". - Owner-Brand new double brick home with stunning timber floorboards throughout -Outstanding opportunity for families looking for a luxurious readymade residence-Five well scaled bedrooms, all appointed with built-in wardrobes-Master bedroom complete with a vast walk-in, ensuite and own covered balcony-Contemporary main bathroom appointed with separate shower and soaking tub-Generous high-end kitchen with stone benchtops, gas cooking, modern appliances, butlers pantry and breakfast bar-Impressive floor plan reveals formal lounge and open plan living zone-Ducted air conditioning throughout-Internal access to single lock-up garage plus driveway parking-Seamless outdoor flow to the undercover entertaining area with outdoor kitchen and low maintenance courtyard-Centrally located position, nearby to Hurstville Westfield, childcare and schools, parks and all other amenities
