Fall in love with this spacious family home in a quiet street, situated opposite Thorburn Park (great for morning walks!). Gorgeous street frontage with manicured, well established gardens to the front. Massive rear undercover entertaining area that looks out over the garden oasis and saltwater pool. Monthly pool service included! The home features formal lounge and study to the front of the house, master bedroom with walk in robe and ensuite, and open plan kitchen/dining/family room. The family room has an operating wood fire place for those cozy winter nights! Ducted Evaporative Air-Conditioning throughout for Summer. At the rear of the house, there are 3 further good sized bedrooms and second bathroom with separate toilet and laundry. The family room and laundry both open out to the spacious undercover patio. There is a double lock up garage, large garden shed, a wood shed, rainwater tanks in addition to the reticulated lawns and gardens, and the property is security alarmed. Easy access to the Reid Highway and Tonkin Highway, and Altone Road shops just a couple of minutes drive away. Register your interest in this one now!
