This large family home has something for everyone. This is a lifestyle home close to schools and sports facilities at the quiet end of a popular street. The oversized open plan living area has been divided into zones for all the family, whilst the stacker doors onto the outdoor entertaining area increases the entertainment space again. An excellent cook's kitchen features new double 600 mm ovens, cooktop and rangehood. At centre of the home, this kitchen is constantly bright thanks to the solar skylights. The large modern main bathroom boasts a corner spa whilst the second bathroom/laundry services the back two bedrooms. The loft area is large enough to be converted to a self contained apartment or as it is an oversized teenage retreat! Outside a large shed has space for a van or other large toys in addition to a shelved workshop and storage space for wood. The low maintenance garden with excellent fencing would suit those with small children and/or pets.
