In an enviable location, central to all the area's highlights, 14 Government Road provides a lifestyle of convenience and charm whilst also offering an abundance of future potential to further capitalize on this remarkable block. In original condition, the character-filled interiors offer superb scope for updating with generous proportions and a superior floor plan providing the basis for you to make your mark on this charming home. Where living spaces embrace period features including Dado boards and rails, high skirtings and soaring ceilings you have enough space for the whole family to enjoy. Externally the secure yard accommodates enviable side access perfect for future planning, whether it be a dual occupancy or a large shed (STCA) and a large list of features throughout:- A generous block of 774sqm with established and easy to care landscapes already in place- The spacious lounge room features a built-in antique cast iron stove- The master bedroom of prime proportion hosts a heritage style fireplace complete with ornate timber surrounds
