SOLD by Jellis Craig. Introducing an opulent masterpiece in Greensborough, this exquisite residence represents the epitome of luxury living. Boasting an extensive transformation that borders on a complete rebuild, no expense has been spared. High-end stone accents grace the entirety of this magnificent home, complemented by meticulously crafted 2-Pac cabinetry and plantation shutters that adorn nearly every window. Elegantly positioned on a meticulously manicured 606m² garden allotment, this exceptional property gleams as a result of an unparalleled renovation. It stands as a testament to superior craftsmanship and provides an idyllic sanctuary for future owners to enjoy. Prepare to bask in an elevated standard of living, characterised by a flexible layout, seamless indoor/outdoor integration, and an impressive array of top-tier amenities. The heart of this resplendent abode revolves around a breathtaking kitchen, featuring cascading waterfall stone, premium Miele appliances, including integrated dishwasher, a convenient butler's pantry, and bespoke cabinetry of the utmost quality. This culinary oasis effortlessly flows into the spacious open living/dining area complete with a gas log fireplace, a dedicated workstation, and stacker doors that lead to the expansive deck and garden. The master suite indulges the senses with its walk-thru robe leading to a lavish ensuite, while two additional bedrooms and a designer bathroom exude sophistication. The expansive alfresco deck invites you to unwind and entertain in style, set against the backdrop of a sprawling, meticulously landscaped garden adorned with elegant magnolias and vibrant pittosporums. The front yard, professionally landscaped by the team at Harvey Landscape and Design (as showcased on The Block 2023), including the fence, gardening, automated watering system and driveways/paths, has been impeccably designed providing a captivating and welcoming element to the property. Additional highlights include the allure of Wormy Chestnut hardwood flooring, lofty ceilings, ducted heating and refrigerative cooling for climate control, a video doorbell for security, powder room, European laundry, garage with integrated workshop, automatic gate for convenience and ample off-street parking. Nestled near the Ring Road, this home offers convenient access to a variety of local schools, shopping destinations such as Greensborough Plaza, and an array of charming cafes and restaurants.
