Situated at the head of the court the unassuming facade gives little as to what lies behind. Masterfully designed on this splayed allotment with northern exposure the house has been redesigned, extended, and renovated to create a 4 bedroom showstopper. The original layout oozes cosiness and blends seamlessly with the new high vaulted ceilings with full height glass apertures to the outdoor entertaining area with pool, lawn, veggie patches and poultry playground. Atop the Merri Murnong with the delights of the rocky waterway trails and open grounds at your calling this is a true family oasis in a court boasting several other beauties. Only a visit will reveal the secrets behind the facade.
