Offered to the market for the first time in over 70 years, this freestanding home on big land presents a great opportunity in a prized part of Maroubra between the Pacific Square hub and Snape Park. In totally original condition throughout, the home is ready for a fresh vision (STCA). It's quietly placed a short walk to supermarkets, eateries, city buses and highly sought-after schools including Mount Sinai College and the International French School of Sydney. • Original single level home comprising three bedrooms • Deep level block with untapped potential to explore • Separate lounge and dining rooms plus a gas kitchen • A sunny garden and arched terrace fronting the home • Side drive to a detached tandem garage and workshop • Renovate or rebuild your dream family home (STCA) • 150m to Snape Park fields, tennis courts, playground • Walking distance to Pacific Square and Westfield Eastgardens Shopping Centres
