Nestled in a serene family Estate, this Cavalier built home is a mere two years old and offers the epitome of modern comfort and style. The heart of the home lies in its stunning open plan kitchen, complete with Caesarstone benchtops, a large oven, 5 x burner gas cooktop and spacious walk-in pantry, perfect for family gatherings. Featuring four great size bedrooms, WIR and a sleek ensuite to the master bedroom with floor to ceiling tiles. Enjoy year-round comfort with evaporative air conditioning and ducted gas heating, ensuring a cozy atmosphere regardless of the season. Your own private oasis awaits outside, where you will be impressed with the 9m x 6m shed (approx), which is fitted with high quality Epoxy Flooring, also allowing for convenient side access. A 6.6kw Solar panel system has also been installed, in order to save on rising energy costs. For further enjoyment and entertainment, you will find an undercover alfresco area fitted with ceiling fans, an established garden & a managable front and backyard. All concrete surrounding the home features an exposed aggregate finish. Situated on a generous 750 square metre block, providing ample of space for the whole family to thrive.
