If you want space then we have space, from the home's interior to the huge level block with its multiple sheds that include a workshop, power and storage there is just so much room to enjoy. The brick family home has the benefit of 3 bedrooms, two living areas, dining/ kitchen with wall oven, hotplates, rangehood and a convenient dishwasher, bathroom with separate shower and bath, separate laundry all heated by either a heat pump or wood heater. Out back we have a small deck and a covered alfresco/ entertaining area with the first of the two sheds enclosed and can be used as a workshop for those that love to tinker while the second shed can be used for storage and the secure level yard is just great for kids' playground, pets, garden/ vegie beds or even those competitive xmas cricket matches... Now this is not forgetting the possibility that you could separate off some of the block for further development of course S.T.C. All this is within easy walking distance to Sorell's shopping precinct and local schools.
